Gentlemen:

you suggested
that if there was any particular date
that would be more convenient
for me to attend the sale of the
Wilcox coin, you could arrange
date to suit me.

My son would like very much
to go with me to the sale, but
cannot well get away from Princeton
~~the~~ except on Fridays & Saturdays.
If you can arrange to have it come
on some Friday or Saturday it will
greatly accommodate me.

And I wish that at the same time
you send me a catalogue you
would send one to him.

His address "John H. Clapp - #6

Dear Sir:

Yours very truly

That if there was any possibility that
that would be more reasonable
for me to attend the sale of the
property in your hands, I would
like to see you.

My own work has been such
to go with me to the sale, but
I cannot give up my business
and I am sorry to hear of
your business. I am sorry
to hear that you are
not well and I hope you
will soon be well.

My impression is that it is
the same as one I have at

But I cannot tell
without comparing them,
and if you have no objection
I would like to keep the piece
until I go again to Wash-

Thanksgiving day).

If this is different from
mine I shall want this.

Gentlemen:

Your letter of Mar 13th came during my absence, and was laid aside so completely that I did not see it until 2 or 3 days ago.

I have all of the coin enumerated except the \$10 Piece of 1878-CC mint. If you still have it you may lay it aside for me, and I will send you a check for the \$12.

I have a \$2½ Gold piece of 1840-D mint that I bought of you for \$3.25.

Would take another at a moderate price if offered, but I cannot think they are "very rare" unless it is that all coin are "rare" when wanted.

My health continues pretty good but my leg does not gain strength.
